Angela Field

The process for School Captains began early in the year with working on preparation and scaffolding then learning to prepare for leaderships positions. All students were invited to a forum. Written applications with approval for one staff member as a referee. Speeches were prepared for 1-2 minutes to class and full year levels. Students spoke confidently with passion for the college.

Students

Stanley Lim spoke about communication and student voice. Crish Patel spoke about values and rights and helping with behaviour. Mehrin spoke about students following the school values. Kaureen spoke of the opportunity to contribute to the school and a way to help others.

Thank you to Angela Field for your work on leadership.
