

Dear Families,

## Expressions of interest are now being taken for extracurricular Saturday morning language classes

Due to high demand for language classes in the Truganina area, Truganina P-9 College and the Victorian School of Languages are currently investigating levels of student interest in learning languages during Saturday morning sessions, with the intention of opening a Centre at our school.

If you have an interest in learning a language, please indicate by filling in your details below. If you have any questions please call Lisa Foster (Assistant Principal) 9368 9800.
