

'I See, I Think, I Wonder' – Metacognition Strategy

Year 3 student work sample

- *This Year 3 student used the 'See, Think, Wonder' strategy to understand the book and made connections between different types of books based on personal experiences.*

I See What do you see?	I Think What do you think?	I wonder What does it make you wonder?
<ul style="list-style-type: none">➤ I see three Koalas.➤ I see a snail.➤ I see a studded animal on the bed.➤ I see a girl lying on the bed.➤ I see the girl has golden hair.	<ul style="list-style-type: none">➤ I think the girl is Goldilocks as it says in the title of the book.➤ I think the story is going to be similar to Goldilocks and The Three Bears because the name of the character Goldilocks is the same in both stories.➤ I think Goldilocks will be found sleeping in the koala bears bed because she is lying in bed and there is a baby in the picture.	<ul style="list-style-type: none">➤ I wonder why the title is called Goldilocks and Three Koalas.➤ I wonder where does the story take place.➤ I wonder what the problem in the story is.➤ I wonder why there is no clue of the setting in the front cover.
