

Predicting

Years 3 - 4 student work sample

This student used the strategy predicting to make an educated guess about what is going to happen next in the story. The student used their prior knowledge, clues from the story and world knowledge to make a sensible prediction.

Years 3-4

What do you think is going to happen next? Why?

- I predict that Tom and his friends are going to make up some new songs, and then practice them.
- They'll need to practice the new songs because they might perform them.
- I predict they will perform their songs because in one of the other Tom Gates books I read he performed a song with his friends at the school.
