## **A Message from the Schools of Wyndham**

---

All schools in Wyndham are working together to provide the community with remote learning options for their students. We appreciate you keeping your children at home and keeping us all safe, where this is possible.

It is important to understand that the remote learning options will look different in all of our schools. This is for a variety of reasons and include the diverse platforms schools use and students are already familiar with and the learning of the schools and what particular subjects are being provided.

Rest assured that we are all working together to provide the best we can. We will consistently make adjustments and changes as we learn more about the processes put in place and what is working well within the community.

We wanted to assure parents that the students of Wyndham are being cared for and are learning.

**Tami-Jo Richter**

Wyndham School Network Chair

**Brent Richards**

Wyndham Senior Education Improvement Leader for the Department of Education
