## Truganina College

This policy reflects the DET *School Policy Advisory Guide* including School Council consultation.

### PURPOSE

This Policy explains the management, operation and use of the Closed Circuit Television (CCTV) system at Truganina College.

### SCOPE

This policy applies to the installation of CCTV cameras on school grounds and the use and disclosure of any footage produced by those cameras.

This policy is consistent with:

- Victorian government [Schools' Privacy Policy](#) (applies to all Victorian government schools).
- The Department's [Security Risk Management](#) policy.
- Victorian privacy law.

### POLICY

Schools have an obligation to ensure the school environment is safe and secure, and fulfil duty of care to students, staff and visitors. The CCTV system exists to assist our school to fulfil these obligations and to prevent and manage other inappropriate behaviour on school grounds.

CCTV provides enhanced capability to protect our school's assets against vandalism and theft. CCTV strengthens our school's security by providing an appropriate level of surveillance on school grounds and assists our school to take all reasonable steps to prevent reasonably foreseeable harm on school premises (duty of care). The presence of CCTV cameras deters misconduct and inappropriate behaviour and reassures students, staff and visitors that they are protected when on school grounds.

This policy describes how our CCTV system does this, consistent with Victorian privacy law.

## Use of CCTV

Consistent with our school's obligations set out above, Truganina College may use CCTV cameras to:

- Prevent and verify incidents involving:
  - Criminal behaviour – of anyone on school grounds.
  - Inappropriate behaviour – including of students, staff, visitors or members of the public. For example, this means the school may use CCTV footage of incidents to help inform decisions about student management and staff misconduct.
- Verify other incidents – involving students, staff and visitors (e.g. incidents in which a person has sustained injury, loss or damage on school premises).
- To provide the principal with visual coverage during emergencies.

When our school uses CCTV footage to verify an incident in any of the ways set out above, that footage then constitutes a 'record' under the Retention and Disposal Authority (RDA) published by the Public Records Office Victoria.

CCTV cameras are NOT:

- Hidden or covert.
- Located in private areas such as toilets, changing rooms or staff rooms.
- Used to monitor student or staff work performance.

## Location of CCTV cameras in our school

In our school, CCTV cameras are located externally at:

- Canteen Area

This means that any person on school premises may be captured on CCTV footage of an incident that the principal may subsequently show to staff, students and/or their parents.

The school cannot give copies of CCTV footage to staff, students, parents or any other parties. Any requests for a copy of CCTV footage must be made to the Department's Freedom of Information Unit, as set out below.
