They have led discussions, provided opportunities for each Student Leader to contribute and provided examples of strategies that the leaders could use to improve school connectedness.

The College has received approval for the construction of covered walkways from the Victorian School Building Authority. These walkways will be built in two stages. Stage One will take place during the September school holidays and Stage Two will take place over the Christmas holiday period.

Truganina College continues to ensure the school environment is safe and secure, and fulfil our duty of care obligations to students, staff and visitors. The College has recently installed several Closed Circuit Television (CCTV) cameras around the school grounds. The system protects our college against vandalism and theft and strengthens our school security by providing an appropriate level of surveillance on school grounds. The Truganina College CCTV Policy will be made available on our College website shortly.

School Council will meet again on the 20th July 2020.
