This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (i.e. indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

POLICY

Truganina College is committed to implementing and following practices which protect the safety and wellbeing of children, our staff and volunteers and promotes the social and educational life of the College. The policy aims to ensure that parents and community members are welcomed, supported and valued by Truganina College as partners in all students learning and development.

The procedures set out below are designed to ensure that Truganina College's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

Suitability checks including Working with Children Checks (WWC)

Working with students

Truganina College values the many volunteers that assist in our classrooms, with sports events, camps, excursions, school banking and fundraisers. To ensure that we are meeting our legal obligations under the *Working With Children Act 2005* (Vic) and the Child Safe Standards, Truganina College is required to undertake suitability checks which may include a Working With Children Check, proof of identity, work history involving children and/or reference checks.

Considering our legal obligations, and our commitment to ensuring that Truganina College is a child safe environment, we will require volunteers to obtain a WWC Check and produce their valid card to the front administration office for verification in the following circumstances:

- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not.
- **Volunteers who are not parent/family members** of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised.
- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer’s child is **not** participating or does not ordinarily participate in, the activity.
- **Parent/family volunteers** who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
- **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not.

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

Non child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example volunteering on the weekend for gardening, maintenance, working bees, parents and friends club coordination, school council, participating in Lead team meetings, market day coordination, other fundraising groups that meet in the evenings during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have Working with Children or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Truganina College reserves the right to undertake suitability checks, including proof of identity, Working with Children Checks, at its discretion if considered necessary for any particular activities or circumstances.

School council members and volunteers on any sub-committee of the school council will be asked to provide a valid WWC Check. Whilst we acknowledge that these volunteers will not be engaging in child-related work as part of their role, even when there is a student sitting on the school council, we believe that it is important that our volunteers who are involved in making important decisions about our school which will have an impact on students do have a valid WWC .

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal or the teacher in charge. This will include the requirement to follow our school’s policies, including, but not limited to our Child Safety Policy our Child Safety Code of Conduct and our College Values of *being a learner, respectful, responsible and resilient*.

Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department’s policies relating to Equal Opportunity and Anti-Discrimination, Sexual Harassment and Workplace Bullying.

The principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Truganina College.

Truganina College will provide any appropriate induction and/or training for all volunteer workers. The principal (or their nominee) will determine what induction and/or training is necessary depending on the type of work the volunteer will be engaged in.

All volunteers will be provided induction in relation to Truganina College’s child safety practices, including reporting obligations and procedures. Our school has a Child Safety Reporting Obligations Policy and Parent and Community Helpers Guidelines which all staff and volunteers should be aware of.

The principal (or their nominee) will determine what supervision, if any, of volunteers is required for the type of work being performed.

Compensation

Personal injury

Volunteer workers are covered by the Department of Education and Training’s Workers Compensation Policy if they suffer personal injury in the course of engaging in school work.

Claims of this nature should be directed to the principal who will direct them to the Department's Legal Division.

- a claim for bodily injury to a third party
- damage to or the destruction of a third party's property.
