

2022 Student Planner Year 5 to 9

Cover Competition

Truganina College is seeking designs from Year 4 to 8 students for the cover of the 2022 Student Planner for Year 5 to 9. Students should create their design on the next blank page.

Include the following in your design:

- A spot for the Truganina College Logo
- The College Motto – *Inspiring Excellence in Learning to Believe, Achieve and Succeed*
- The heading or title – *2022 Student Planner Year 5 to 9*
- Your full name next to the words – *Illustration by.....*
- A link to our school values; *Learn, Respect, Responsibility and Resilience*

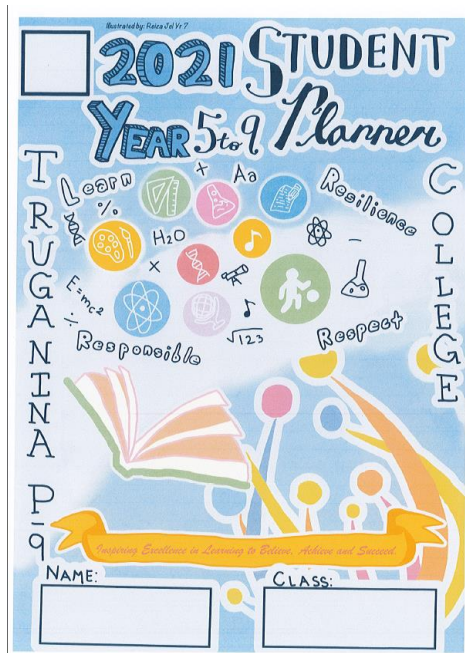

All entries must be submitted to your Classroom/Homegroup Teacher by Friday 18th June

Your planner design must be high quality, free from spelling errors, exhibit neat handwriting and a creative design that is representative of our college values. The student with the winning design will be required to recreate their work as a final copy, so it is important that the artwork be entirely created by the student, showing ownership over their own learning.

This is a genuine opportunity for student voice at the College.

The 2021 Student Planner Years 5 to 9 design winners are shown below as a WAGOLL (What a good one looks like) to show you the high quality work we are expecting.
