

2022 Student Planner

Foundation to Year 4 Cover Competition

Truganina College is seeking designs from Foundation to Year 3 students for the cover of the 2022 Student Planner Foundation to Year 4. Students should create their design on the next blank page.

Include the following in your design:

- A spot for the Truganina College Logo
- The College Motto – *Inspiring Excellence in Learning to Believe, Achieve and Succeed*
- The heading or title – *Student Planner Foundation to Year 4 2022*
- Your full name next to the words – *Illustration by.....*
- A link to our school values; *Learn, Respect, Responsibility and Resilience*

All entries must be submitted to your Classroom Teacher by Friday 18th of June

Your planner design must be high quality, free from spelling errors, exhibit neat handwriting and a creative design that is representative of our college values. The winning student will be required to recreate their work in a final copy, so it is important that artwork be entirely created by the student, showing ownership over their own learning.
