

Truganina College - School Council Report – July 2021

The members of the School Council met on the 26th of July. Helen Salmond, Business Manager, brought Council through the financial statements for June and provided a Facilities update.

Alpheline Bara, our College Captain, provided Council with an update on the transition to Remote and Flexible Learning (RAFL). Alpheline spoke highly of the staff community and their efficiency to prepare the learning and deliver explicit teaching through the Webex sessions. She also spoke of the opportunity she had with fellow College Captain Zayan Haq. They attended a School Improvement Team meeting where they provided leaders more feedback for students to know what to work on and how to achieve their learning goals. Alpheline mentioned how the Google Classroom platform had enabled students to send work and receive feedback from their teachers quickly.

Brad Robertson, Assistant Principal for Student Engagement and Wellbeing, presented an update of the Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures approved by School Council.
