

Truganina College - School Council Report - October 2021

The members of the School Council met on 18th October. Helen Salmond, our Business Manager, presented the predicted budgets for 2022. The final budget will be presented to Council in March next year.

Chris Pugh provided a facilities update to the school grounds. Wyndham Council has accepted the community's request to install concrete pathways joining the school paths to the community oval. Fifty air purifiers provided by the Department of Education and Training have been placed in classrooms around the College to support the safe return to school for students and staff.

Courtney Hodgson, Leading Teacher, celebrated the NAPLAN results and students' achievement in Years 3, 5, 7, and 9 for Reading, Writing, and Numeracy.

The College Captains spoke of their preparation for a virtual session with Sarah Connolly MP – Member for Tarneit District. The Student Leaders have delivered an explicit teaching session during home groups to educate their peers on Sarah Connolly and her role in our community. Questions from each cohort will form the basis of discussion when students meet with her online on 19th October.
