

Truganina

College

Dear Families,

Truganina College is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, your support in 2021 allowed us to:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Complete College landscaping at the front of the college and further landscaping around the college
- Upgrade and purchase of additional IT devices during Covid lockdowns
- Construct covered walkways

Please find below Truganina College's voluntary financial contributions schedule for 2022, which includes an overview of what your contributions will contribute towards.

We ask parents to please review the recommended voluntary financial contributions schedule below for an indication of contributions for your child/ren.

Tax Deductible Contributions (Building and Library Fund)

Tax deductible contributions made per family to towards Truganina College"

- Building fund (to support renovations, upgrades, and maintenance of school infrastructure)
- Library fund (to support book purchases and other equipment that sustain the library as a valuable resource)

Extra-Curricular Items and Activities

Truganina College offers a range of items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides in order to deliver the curriculum. These are provided on a user-pays basis. Details of these items and activities will be provided to students and families throughout the year.

Financial Support for Families

Truganina College understands that some families may experience financial difficulty and offers a range of support options, including:

- State Schools' Relief provides financial support for eligible families to purchase clothing/uniforms at a reduced rate
- Camps, Sports and Excursions Fund provides payments for eligible students to attend camps, sports and excursions (CSEF)

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact Clare Najdovski – Finance Manager on 9368 9800 or email:

Parent Payment Policy

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions
Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions
Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities
Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
