

November, 2025

Dear parent/guardian,

Truganina College is looking forward to another great year of teaching and learning and would like to advise you of *Truganina College's* financial contributions for 2025.

Truganina College School Council invites you to pay voluntary curriculum contributions to help our school provide the best education for our students.

The curriculum contributions for 2025 are \$285.00 for students in Foundation to Year 6 and \$300.00 for students in Year 7 to 9.

Please login to Compass to pay for the curriculum contributions.

Schools provide students with free instruction to fulfil the standard Victorian curriculum. The ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Your ongoing financial support allows us to enhance student opportunities, growth, and school facilities. We are able to offer a wider selection of elective subjects and co-curricular activities, on site IT technicians, improve contemporary learning areas such as our all-inclusive library, and the upgrades of the facilities at Truganina College, including our recent construction and continuation of the grounds works around the college.

Yours sincerely,

Amanda Williams
Principal
